S4U SECURITY FOR YOU

ISO 9001:2015 CERTIFIED
SECURITY SERVICE PROVIDER

ABOUT US

We are experienced and committed private security company providing cost-effective professional and reliable on site security services to protect and secure personnel and property by realizing our client's requirement.

We are committed to helping each of our clients to achieve the highest level of protection and security required by their respective industry and circumstance.

We have the experience and expertise to provide temporary, permanent and emergency security to serve a diverse range of industries such as hospitality, residential communities, manufacturing, industrial, retail, and special events.

We provide unarmed standing guards, parking enforcement security guard, access control person, reception and gate guards, and special event security. We can also provide customized security programs tailored to your specific needs and budget.

S

Security Guards Service

Provides a comprehensive spectrum of manned security services from one man guarding to a multi-manned security team.

H

Housekeeping Facility Service

Provides high-quality, cost-effective house-keeping services.
